图书馆老师提前装扮了圣诞节图书馆装扮，让学生们感受满满的氛围感，感受寒冬里的温暖。并且将圣诞活动海报张贴在了图书馆内，让学生们提前了解活动内容。

The library teachers dressed up the library for Christmas in advance so that the students could feel the full atmosphere and the warmth in the cold winter. Posters of Christmas activities were put up in the library to let the students know the contents of the activities.

“接下来是雪花，圣诞树
新年，和更好的我们。” ❄️

巧做圣诞活动刚刚开始，同学们就争先恐后的来图书馆参与，因为名额有限，大家都迫不及待先拿到DIY手工。The Crafty Christmas program has just begun and students have been scrambling to come to the library to participate because there are limited spots and everyone can't wait to get their hands on the DIY crafts first.

同学们都非常的认真投入其中，出色的完成了自己的作品。手作DIY学生们都非常喜爱，之后图书馆也会多多安排此类活动，让本次没有参与的学生都参与其中，感受DIY的快乐！~

The students were very serious about their work and finished it well. The DIY students loved it very much, and the library will arrange more activities of this kind, so that the students who didn't participate in this time can participate in it and feel the joy of DIY! ~

同学们都为想要祝福的人写了信,投入祝福信箱,会有圣诞小天使帮忙送信,活动非常火爆!

Students wrote letters for the people they wanted to wish and put them into the blessing mailbox, and a Christmas angel would help deliver the letters, which was a very popular activity!

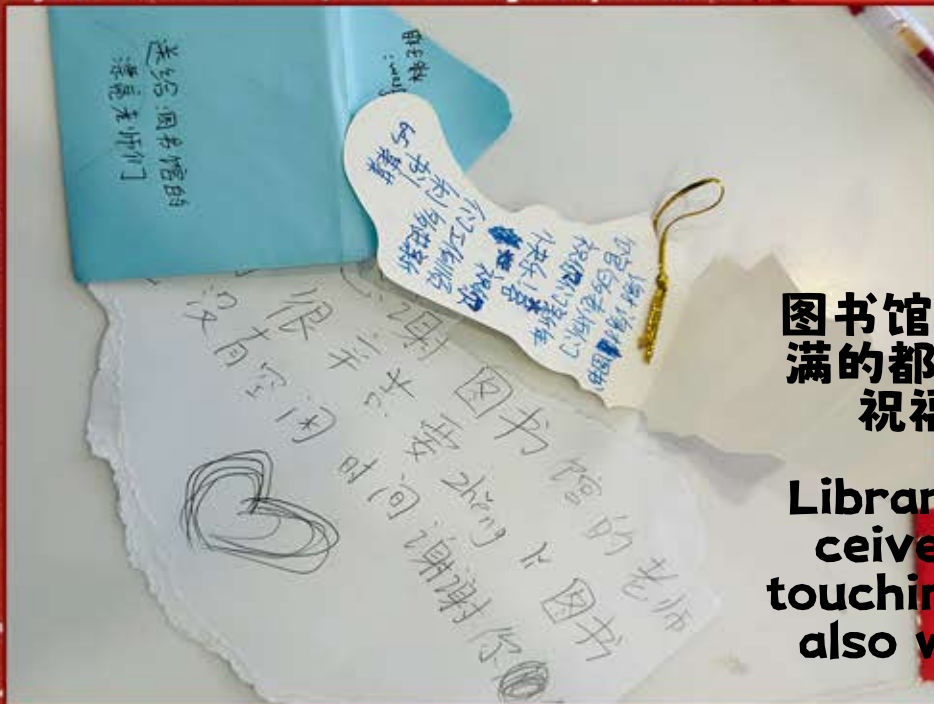

信箱里满满的信封装满了学生们的祝福!

The mailbox was full of envelopes filled with well wishes from the students!

图书馆老师把信封按班级分好亲手送给每一位老师，转达学生满满的爱与祝福！
